

V A C A N C Y

Yayasan Indonesia CERAH (“CERAH”) is a non-profit organization established on 11 October 2018. The organization focuses on the issues of clean energy and the environment. CERAH promotes the narrative of shifting Indonesia’s policy in energy transition as a leader in providing strategic communication to amplify key messages in the narrative of clean energy and its transition in Indonesia, cultivating and enhancing stakeholder engagement, and providing recommendations to policymakers.

CERAH has been collaborating with multiple stakeholders and prominent figures, the media, and civil society organizations to educate and raise awareness highlighting issues such as good governance and corruption, air pollution, and the health impact of energy choices and renewable energy future and how that affects lifestyle and jobs.

CERAH, will implement “Strengthening Communication Strategy for Just Energy Transition in Indonesia”. This program aims to develop a national message for the energy transition mechanism and reach out to broader target audiences such as youth movements and civil society organizations (CSOs). We are looking for a Lead Editor to support the program's overarching goal and work closely with the Program Manager, Program Assistant, and Writers for our upcoming website.

Tasks and Responsibilities:

1. Pitch, write, and edit articles, and SEO-driven stories on Just Energy Transition Partnership (JETP) to help build awareness and drive engagement for our upcoming website
2. Work with Program Manager, Program Assistant, and two (2) writers on strategy to ensure editorial goals are met.
3. Manage and oversee the new website with the whole team.
4. Oversee and edit up to three (3) writers, and freelance/contributor’s writing.
5. Develop interesting editorial angles and stories on JETP for the upcoming website that will appeal to the public.

Requirements:

1. Candidates must have a passion for researching a diverse range of interrelated issues.
2. Candidates with at least 3-4 years of experience in the related field, preferably with a digital editorial focus on energy and climate topics.

3. Strong writing skills, communication skills, research skills, and time management skills.(Ex-Journalist will be preferable)
4. Great attention to detail, strong editorial judgment, and ability to execute clean, factually correct work with integrity.
5. Excellent command of the English language, both written and oral.
6. Have good organizational skills and work with a global network with the ability to work remotely under minimum supervision.

Duration and Fee:

The position will hold a fixed-term contract of 6 (six) months and consider extending due to conditions. The remuneration is a lump sum based on qualification, competency, and salary history.

Please send your CV, a minimum of 2 (two) pages, detailing your experiences and expertise to recruitment@cerah.or.id at the latest on Thursday, 22 June 2023, before 5 pm WIB.
